SIEREN IS SEARCHING FOR HER FUTURE

BY KYLIE BEINHART

Olivia Rose Sieren, also known as "Liv" was born on October 7, 1999. Olivia is the daughter of Chad Sieren and Becky Skinner. She has one sister, Maitland Sieren, and two brothers, Ty Sieren and Ezra Kammerer. One thing Olivia admires about her parents is that no matter what happens they are always there for each other. Olivia's favorite childhood memory is her baby brother Ezra being born. Her favorite family memory was going to Mexico this summer. Some of Olivia's pet peeves

and bad habits are procrastination, fake people, and people who don't use the right you, you're, two, to, too, their, there, and they're. One accomplishment Olivia is proud of is winning both Star Performer awards her sophomore year of Eaglerock.

During Olivia's high school years at Keota, she has been involved in volleyball, Eaglerock, basketball, drama, speech, softball, track, and Honor Roll. Her favorite was volleyball and Eaglerock, because she loved playing the sport and loved performing. During the summer, Olivia worked at the Keota pool where she watched people swim and had to save them if they were struggling. She has learned from her experience with lifeguarding how to watch for little signs of struggling. Some of Olivia's hobbies include sports, because it makes you feel a part of the team, and she also enjoys singing. She says

it is a good way to show off your talent. With that being said, her favorite high school memory was singing the National Anthem for the Veteran's Memorial. Her favorite memories throughout high school were State basketball, playing sports, speech, and being in plays. Olivia has most enjoyed her classes with Mr. Snakenberg, because he was a great teacher and she enjoyed his style of teaching. Olivia will miss her classmates the most after graduating from KHS.

Olivia plans to attend Kirkwood Community College after graduation for Respiratory Therapy. She chose Kirkwood because they are a good school for Health Science. When Liv was younger, she wanted to be a therapist. One quality she possesses that will help reach her goal is being determined. In ten years, she sees herself hopefully hav-

ing a family, living in a nice house, and having her life set up. After graduation, Olivia thinks she will most likely be remembered as "the one who always tells stupid stories," but she would like to be remembered as a person who is always fun to be around. Turner Klein said, "she's pretty cool and stuff." Her advice for future KHS seniors is to make sure you enjoy your senior year. We wish Olivia the best of luck as she sets off on her future path.

SPEECH SOUP SUPPER

BY FRANKIE JOHNSON

The annual Speech Soup Supper was held December 3 at Lagos Acres and was a huge success. There were nine Christmas trees on display, decorated by several generous community members. There were five flavors

of soup, along with numerous salads, desserts, and even a hot chocolate bar!

Approximately 170 people were served. This year Keota Speech has 45 members, which is one of the biggest groups they have had in several years. The money raised will go towards paying entry fees for competitions, costumes, and scripts.

The Keota Speech Students would like to thank Mike and Gina, as well as the community members and parents, for their overwhelming support and generosity. They would also

like to invite everyone out to watch the Home Speech Presentations on January 17th at 7:00 p.m.

CHRISTMAS TREE DECORATING CONTEST

BY WYNONNA MORRIS

For the Tour of Homes, grades 7 through 12 decorated Christmas trees. All of the trees were decorated very nicely, but the freshmen's Christmas trees (pictured above) ended up being the winner of all of them. The freshmen will be receiving a pizza party for winning the contest. Congratulations to the freshmen!

STUDENT SECTION GETS FIRED UP

BY OLIVIA SIEREN

This year's student section is looking promising. It is filled with loud, spirit-filled students. This year's goal for the student section is to be as loud as possible. We want our players to know how much we support them when they are out on the court. These students cheered their hearts out when the basketball teams played back-to-back games against Lone Tree and Sigourney. For the

game against Sigourney everyone in the student section dressed in white and cheered as loud as they could to support the team. Brady Duwa was a tremendous help to the students by using his voice to start cheers. The next upcoming theme is Christmas sweaters for the game against Montezuma on the 19th. Come ready to cheer loud and proud for your Keota Eagles.

STAFF SURVEY

BY JOLEE WALKER

What is the best Christmas present you have ever received?

MS. KAPLAN

"A 55 inch TV"
MRS. WOLF

"A Tiny Tears doll when I was 5 years old"
