HIGH SCHOOL ATHLETE OF THE WEEK

BY JUNE DAING

This week's KHS Athlete of the Week is Lauren Imhoff. Lauren is currently a senior at Keota High School and is involved in a lot of extracurricular activities, including playing golf for the Keota Eagles. This year, Lauren is looking forward to hitting golf balls and taking names. One thing that she is trying to improve this season is her long game. Lauren hopes to win more meets as a team this year, as that would be her ultimate achievement in this sport. Lauren's motto is "Just gotta let 'er eat." What she likes most about this sport is she gets to interact with people from other schools and make friends. She says one funny moment that she will never forget is "When Jolee and I were as far out on the course as we could be, and it started to pour, so we had to run back."

We wish Lauren the best of luck as she goes on to her last golf season at KHS!

JILL IS JUMPING INTO HER FUTURE

BY PAIGE MINARD

Jillian Danielle Schulte, otherwise known as Jill, was born October 10, 2000. Jill is the daughter of Amy and Dan Schulte. She has a younger sister, Jaime, and an older sister, Abby. Jill's favorite family tradition is having her family Christmas in February. Jill admires her mother because of her persistence and dedication to everything she does.

Jill's favorite childhood memory was going to the zoo with her whole family, because she loved the zoo. When Jill was a child, she aspired to be a zookeeper someday. Jill's favorite elementary teacher was Mrs. Button, because she made preschool the best. Her favorite elementary school memory was

the snowball wars she and her peers would have during recess. As a favorite birthday party, Jill has chosen her sixteenth. She enjoyed it because she celebrated it with her friend Frankie at the haunted school in West Chester.

Throughout high school, Jill has been involved in a number of extracurricular activities. These include volleyball, basketball, track, softball, speech, drama, Eaglerock, FFA, and Student Council. Out of these many activities, Jill has enjoyed volleyball, basketball, and Student Council the most. Jill's proudest moment has been becoming President of the Student Council.

When not busy with school or extracurriculars, Jill works at the

Y in Washington and runs different programs. Previously, Jill worked at a garden house caring for plants. Jill believes these responsibilities have taught her time management, communication skills, and how not to kill plants. In Jill's free time she loves watching movies on Netflix and watching or being involved in sports. She describes herself as very competitive when it comes to sports. She also describes herself as ambitious, smart, and humorous.

Jill's favorite class in high school has been "any class that was taught by Hobbs," she says. She loved how it was always an adventure and surprising to see what she and her classmates could break or blow up. Although Jill enjoyed the fun of Hobbs' classes, she thinks that Personal Finance, taught by Mr. Nederhoff, has prepared her the most for life after high school, because it taught her to save money and be financially literate. Jill's favorite high school memory was going to the National FFA convention her sophomore year.

After graduation, Jill plans on going to Iowa State University. At Iowa State she is going to major in Marketing to prepare her for her career of being a Market Analyzer. Jill chose Iowa State University for their amazing programs and great campus. She hopes her leadership and intelligence will take her far in life.

Three things Jill wishes to accomplish in her lifetime are to have a big family, own a big house, and be

happy with her career.

Jill believes Keota High School offers something special that other schools don't, such as smaller classes and easy accessibility to help from teachers. When asked what she would miss most about Keota High School, Jill said she would miss getting to be around her classmates the most. Jill's classmate Frankie said, "I will miss her willingness to help others, her strong work ethic, and her funny stories." Jill would like to be remembered for her humor and lovingness of fun.

If Jill could go back and do high school again, she would start taking online college classes before her senior year. Her advice to future KHS seniors is "Don't procrastinate, because doing things rushed and at the last minute isn't very fun. We wish Jill the best of luck in her future!"

JUNIOR HIGH ATHLETE OF THE WEEK

BY PAIGE THOMPSON

This week's Junior High Athlete of the Week is eighth grader Dakota Loper. Dakota is a sprinter in track and participates in the 100 meter dash. He is looking forward to winning more races this year, which would also be his ultimate achievement. Running is what Dakota likes most about track. Dakota is trying to improve his time this year, which would also be his ultimate achievement. Running is what Dakota likes most about track. Dakota's motto is "Escape by the skin of one's teeth."

We wish Dakota the best of luck on his final season in Keota Junior High track.

BLAST FROM THE PAST

BY PAIGE THOMPSON

HOW WILL SENIORS RESPOND THE SECOND TIME AROUND?

Each week, we ask a senior the same question they were asked for the Question of the Week when they were in 7th grade. Let's see how their responses have changed over the years...

Addison Sprouse

Q: What football team do you like most: Iowa, Iowa State, or UNI?

7th:
A: "Iowa State, because they try and never give up."

12th:
"Iowa State, because I love the traditions and culture within the university. I'm also going to college there next year."

ELEMENTARY SPOTLIGHT

BY BERGEN DALTON

This week's Elementary Spotlight is Tobias Flynn. He is most commonly referred to as Toby. Toby is the son of Matt Flynn and Jenny Hobbs. Toby is three years old and is a preschooler in Mrs. Greiner's class

this year.

Toby's favorite part about school is that he gets to see all of his friends. The main thing he does not like about school is when he does not get to go to library. Another thing he does not like is that sometimes he misses his mom while he is at school.

Toby would like to stay in preschool, so he does not have to move up and be in high school. When Toby is all done with school, he would like to be a cop. On a typical day after school, Toby goes home and plays with his cat, Natalie, and his dog, Theo. Toby plans to spend his summer playing with his pets and farming.

We wish Toby the best as the years go on!

TEACHER SPOTLIGHT

BY JUSTIN MOELLER

This week's Teacher Spotlight is Ms. Bries. Ms. Bries teaches all sorts of English classes at Keota High School, including Communications, World Literature, American Literature, Practical English, LA 7, LA 8,

and English 10. She has taught for four years at Keota and has taught 7.5 years total. She says she became a teacher because she likes to share what she knows with others and she likes helping others.

Ms. Bries says the most challenging part of her job is keeping English interesting for the students. She says the most rewarding part of her job is when students have an "aha moment." She says teaching has changed a lot over the years, with more material being online and less paper being used. Some advice she would like to give to anyone wanting to be a teacher is to always be flexible.

It was a pleasure to interview Ms. Bries and we wish her a great rest of the school year.
