Directions on Back

November 21

1:00 Dismissal- Break

December 12

Fine Arts Night 6:30pm

Preschool-6th Grade

We were welcomed quickly this week with the presence of snow! For some of you this may be exciting and others it may be downright miserable....however, it does sneak up on us every year. Here are a couple of reminders on recess and snow.

Reminders/Things to Note:

Dress: In order to play in the snow, students will need to have the following items on them→ Boots, Snow Pants, Coat, Hat, & Gloves

Throwing of Snowballs will not be tolerated.

Strike 1- Students will come to the cement

Strike 2- Students will spend time up on the wall

Strike 3- Loss of privilege of recess for the next day

Thank you for understanding and helping keep everyone safe!

STEM Club

STEM Club started this Tuesday and will continue each Tuesday for the remainder of November. The students worked hard on formulating a plan and constructing walls for their egg (Humpty) to fall off of. Students were deeply engaged and we are excited to see them keep working!
