What is your favorite season?

SENIOR SPOTLIGHT: MADELINE JOHNSON

BY ERIN CHALUPA

This week's Senior Spotlight features Madeline Marie Johnson, but you probably know her as Maddy J. Maddy was born November 4, 1998, to proud parents Noland and Melia Johnson. She is the older sis-

ter to her siblings: Frankie and Max. Maddy is definitely a family gal, and her favorite childhood memory is having Coady cousin camp with her whole family. Another one of her favorite memories is going to Alabama Gulf shores on vacation. Maddy admires her brother and sister because they have always been there for her through all the years.

Maddy has had a great time at Keota High School the last four years. Her favorite class at Keota has been P.E. because she enjoys exercising in the gym. She also enjoys hanging out in Mrs. Redlinger's room. Maddy thinks that her Communications class has prepared her for the future the most because it has taught her different ways to present and communicate with others. Throughout high school, Maddy has been involved in Eaglerock, choir, band, and yearbook. Her favorite extra-curricular has been Eaglerock

because she enjoys hanging out with the other members at competitions and practices. The thing that she will miss the most about Keota High School after she graduates is all of her classmates. Maddy's advice for future Keota Eagles is to always be nice and caring to everyone.

Maddy has always been a very caring and loving person. When she was younger, she wanted to care for animals as a veterinarian. Since then, her paths have changed slightly, but she still plans to care for others in the future. After high school, Maddy plans to attend Indian Hills Community College to study Early Childhood Development. Three things that Maddy wants to accomplish in her life after college is to be helping kids, to be married with a child or two, and to always be happy and kind to others. Maddy wants to be remembered after high school as a nice person in high school, which is

definitely a task that she has completed. I think that Frankie speaks for the whole student body when she says, "Even though Maddy is always pretty quiet, she is always happy and has something to laugh about." She is destined to succeed because she is loving and kind in all that she does. We will all miss Maddy's caring heart next year, but we wish her good luck with her plans in the future.

JUNK OR JEWEL

BY BERGEN DALTON

This week's Junk or Jewel is Frankie Johnson's 2008 Chevy Impala. It has a 6.6 liter Duramax engine. It was previously owned by her grandparents. She got it from them her freshman year. She named her car "Ruthie" after her grandma Ruth that gave it to her. Her car is grey with four doors. Frankie's car gets about 30 miles per gallon and currently has 123,000 miles on it and can fit up to five people in it.

Frankie mostly drives her car to school and back home. Her siblings and Bergen are her most common passengers. Frankie's favorite memories are going on trips to Iowa City with friends. Her worst memory is when the car gelled up on her last winter. Frankie has not had a different car prior to Ruthie.

Now it's time for you to decide if this car is junk or a jewel.

TEACHER GNOMES

BY KAYLIN SWANSON

An anonymous member in the Keota Community School District has been leaving Golden Gnomes along with a friendly letter on teacher's desks. The letter explains why one has received a gnome, and each begins the same: "Gnomes are able to move through solid Earth as easily as humans move through air. This means gnomes see all throughout Keota secondary. When gnomes see good, they freeze into a sparkly gold." The gnomes are intended to be presented when a teacher accomplishes an effective task. Ms. Kaplan, the math teacher, has received two gnomes and says, "I was very surprised when I saw this on my desk." Who do you think will be the next to receive a golden gnome?

During spring break, Keota's EagleRock! took a trip to Omaha, Nebraska for a weekend of fun and competition. Once the group got to Omaha, they spent time at the zoo, went to a mall, and competed in Underwood. Raigan Sprouse, a senior in EagleRock! states, "It was really fun and we

got to spend a lot of time with our friends."

Bianca Cardona, another senior in EagleRock!, was awarded Best Soloist at the competition. This came as a great surprise and a wonderful way to finish off not only this year's season, but Cardona's last competition.

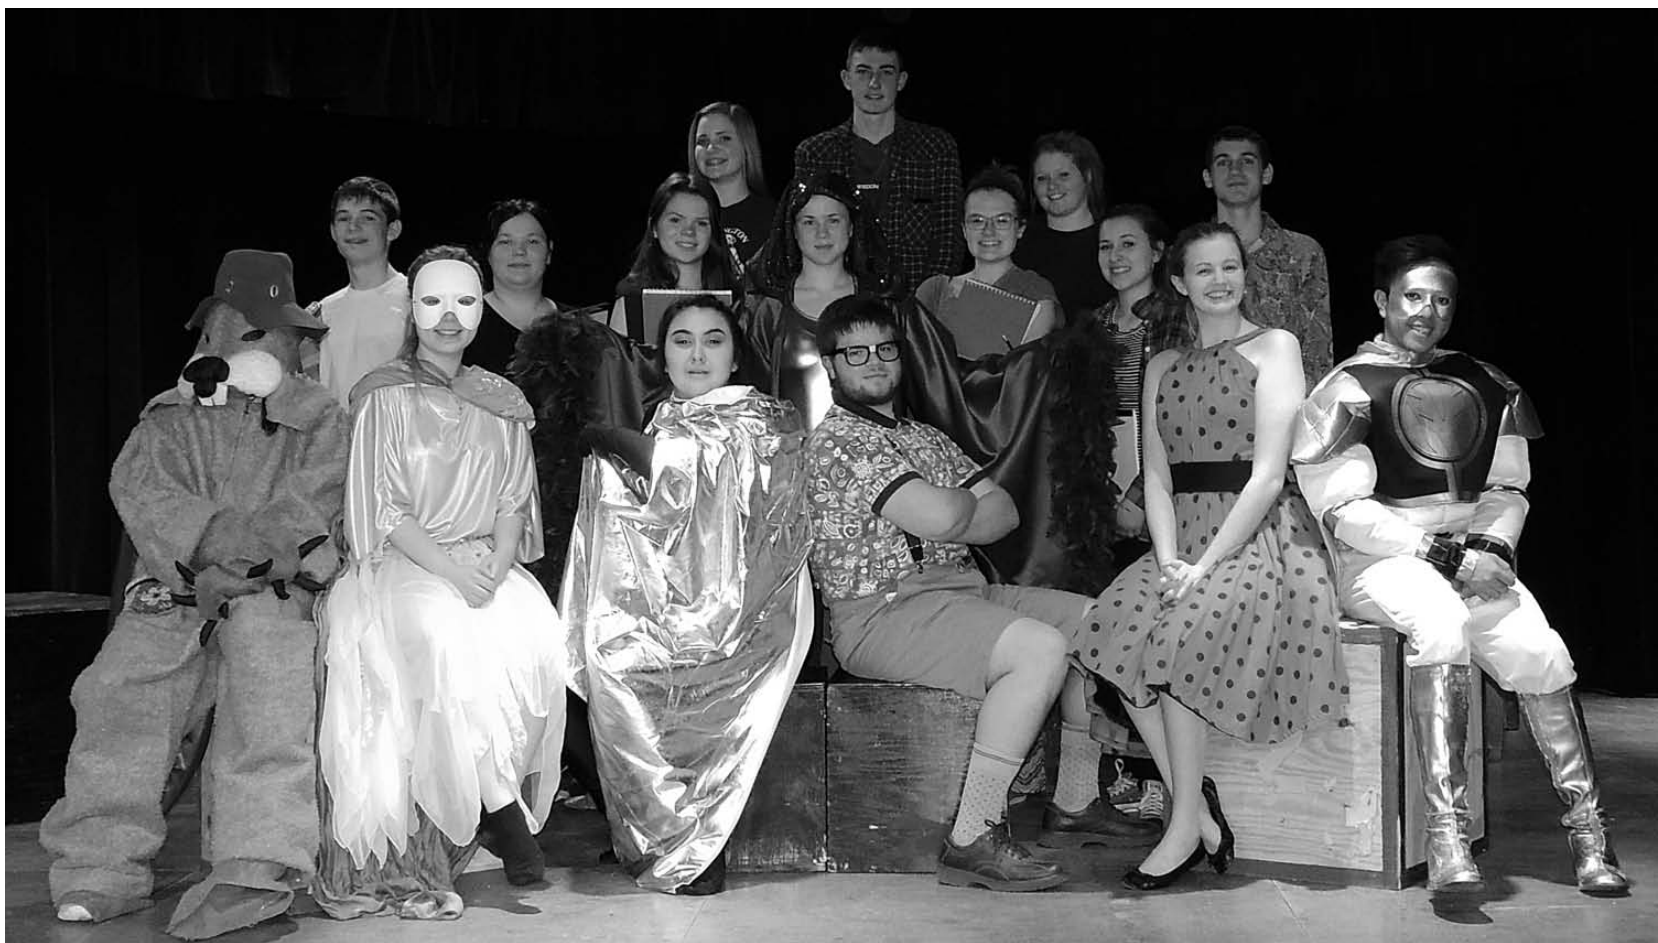

She states, "I will really miss the family feeling that we all have and our fun antics that we do." Mallory Woltering, senior, says, "I will miss how close we have all become, and Mrs. Edwards' cheesy potatoes!"

EagleRock! did very well at their last competition of the

year, and they all enjoyed their trip to Omaha. This trip and activity is surely one that the whole group will remember for a lifetime. Be sure to catch EagleRock! next at the Spring Concert on April 26!

This year's Spring Musical is called "The Adventures of a Comic Book Artist." The story is based around a hopeful comic book art-

ist, Stanley Leonardo Sappovitz (Riley Conrad), that wants nothing more than to have his comics published. While working for D.C. Wunderman (Justin Moeller), Stanley's life long dream lives up

to its expectations and more. Stanley's drawings come to life, making his crazy thought-up adventures a reality. Come see Star Guy (June Daing), Triple Time (Trey Carlson), Blossom

(Elise Swanstrom), and Wombat Woman (Lauren Imhoff), take on evil villains in, "The Adventures of a Comic Book Artist." The doors are open for the public on April 7 and 8.
