## STATE SCIENCE FAIR

By Jocelyn Purkeypile  
The Eagle's Wing

Two Keota High School freshmen, Reese Conrad and Gavin Sieren, went to the State Science Fair with Ms. Hobbs on Thursday, March 30 through Friday, March 31. Together, they earned first place in Division 4 in Environmental and Natural Resources. Their project title was Different Germination Methods of *Asclepias Syriaca* (common milkweed). Division 4 is ninth and tenth grade teams. Congratulations to these students on their success.

## Whip of the Week

By Dalton Dodd  
The Eagle's Wing

This week's Whip of the Week is Brody Greiner's 2017 Chevy Colorado. This vehicle has 67,000 miles on it. The truck is equipped with the very efficient 3.6L V6 engine. It gets an impressive 20 miles per gallon. The exterior of the truck is dark gray. The interior is black. Brody's presets are 98.1, Hair Nation, The Highway, and 94.1. When I asked Brody how much he paid for the truck he replied, "A lot." He got the truck on March 27, 2023. The previous owner is unknown. Brody's favorite thing about his truck is that "It is nice." He can fit five people in his car. Brody's best memory so far in the truck is taking people out to eat after a track meet. He does not have any bad memories because he just got it. He travels mostly to school and Sigourney. The people that travel with him the most are his sisters because he takes them to school. Brody has owned one vehicle previously to this one and it was also a Chevy Colorado. However, Brody enjoys this one much more.

Now it's time for you to decide. Is Brody's truck worthy of being the Whip of the Week?
